Membership in professional scientific organizations

Member of the NGO "Kazakh Geographical Society"

Awards and titles

Courses

1. "general research"
2. "Physical geography of continents and oceans"
3. "Physical geography of foreign Central Asia"
4. "Methods of geographical research"
5. "Physical geography of the CIS"
6. "Toponymy"
7. "innovative technologies in the organization of the educational process at school"
8. "application of innovative technologies in geography lessons"
9. "landscape studies and physical and geographical zoning"

Professional and scientific interests

Problems of geocological zoning of Kazakhstan, scientific study of the factors of the impact of natural landscapes on the environment.
