PLACE OF WORK, POSITION KarU named after Academician E. A. Buketov, lecturer

**SCIENTIFIC DEGREE,
SCIENTIFIC TITLE
(ACADEMIC DEGREE)**

WORK EXPERIENCE

Place and date

- 2020-2021 - Mountain of Light , Analytical Sector Engineer
- 2021-2022 – E.A. Buketov KarU, Department of Faculty Registration Office
- From 2022 to the present – E.A. Buketov KarU, lecturer of the Department of Engineering Thermophysics named after Professor Zh.S. Akylbayev.

**EDUCATION AND
PROFESSIONAL TRAINING**

Education

- 2011-2015 – E.A. Buketov KarSU, Faculty of Physics and Technology. Specialty Heat power engineering
- 2015-2017 Master of Natural Sciences in the specialty 7M060400-Physics

PERSONNEL QUALITIES

- Modeling of educational programs at the university". 25.11.2016 – 09.12.2016 Lecturer: Doctor of Technical Sciences, Professor Evgeny E. Vitvitsky, (E.A. Buketov KarSU);
- "Development of competencies of a university teacher in the organization of distance and online learning". KarU named after E.A.Buketov. 09.01.2023 – 21.01.2023

Digital skills Perfect – Microsoft Office (Word, Excel, Power Point), working with peripheral devices (scanner, printer, fax).

ADDITIONAL INFORMATION

- Courses**
1. Theoretical foundations of heat engineering
 2. Technical thermodynamics
 3. Applied thermophysics
 4. Heat and mass transfer
 5. Physical and chemical methods of water treatment
 6. Electrical part of the thermal power plant and automation system
