

PERSONAL INFORMATION

Mukusheva Gulim

| Date of birth: .../.../....

PLACE OF WORK, POSITION

Head of the Department of Inorganic and Technical Chemistry of the Faculty of Chemistry, associate professor of the Faculty of Chemistry, Karaganda University named after Academician E.A. Buketova

SCIENTIFIC DEGREE, SCIENTIFIC TITLE (ACADEMIC DEGREE)

Candidate of Chemical Sciences, Associate Professor

WORK EXPERIENCE

1998-2019. Chief Scientific Secretary of JSC "International Scientific and Production Holding" Phytochemistry "

2019 to the present, Professor of the Faculty of Chemistry, Karaganda University named after I. Academician E.A. Buketova

Place and date

EDUCATION AND PROFESSIONAL TRAINING

- 1994-1998 - Karaganda University named after academician E.A. Buketova, – Faculty of Chemistry - Bachelor (Hons)
- 2002-2004 - Karaganda University named after academician E.A. Buketova, – Faculty of Chemistry - Master's Degree (Hons)
- 2006-2008 - JSC International Scientific and Production Holding – "Phytochemistry" - graduate student

Education

–
–
–
–

Professional trainings, Scientific trips

– Completed a scientific internship at the Institute of Physical and Organic Chemistry of the National Academy of Sciences of Belarus and the Institute of Bioorganic Chemistry of the National Academy of Sciences of Belarus (Minsk, Republic of Belarus), as well as at the Novosibirsk Institute of Organic Chemistry named after I. N.N. Vorozhtsov (Novosibirsk, RF), at Altai State University (Barnaul, RF).

Passed refresher courses and has the following certificates:

- Refresher courses under the program "New Achievements in Chemistry and Chemical Technology of Plant Raw Materials", Barnaul, 2014.
- Refresher courses on the topic "Development of the Development Plan for state-controlled joint-stock companies, limited liability partnerships and state-owned enterprises, as well as the specifics of its adjustment and amendments", Astana "International Center for Training and Professional Development", 2013.
 - Refresher courses on the topic "Training of internal auditors of quality management systems", Almaty, 2011.
 - Refresher courses "On the preparation of a quality manager ISO9001: 2008", Almaty, 2014.
 - Refresher courses "On the preparation of a quality manager", Karaganda, 2011.
- Refresher courses "Development and implementation of a quality management system in accordance with the requirements of the international standard ISO9001: 2008", Karaganda, 2011.
 - Refresher courses on the topic "Fundamentals of technology commercialization", Karaganda, 2016.
 - Refresher courses on Springer editors training. Increasing the impact of your journal ", 2015- Dubai
- Refresher courses on the topic "Medical, Social, Psychological and Pedagogical Aspects of Health", 2017- MNUMS
 - Akylshyn tilin Ayrenu boyinsha biliktilikti artyru kurstary (Elementary), Karagandy, 2020

SKILLS DEVELOPMENT INFORMATION

PERSONNEL QUALITIES

Native language Russian

LANGUAGE	UNDERSTANDING		SPEAKING	WRITING

ADDITIONAL INFORMATION

Main publications

According to the results of research in co-authorship, more than 80 scientific papers have been published in peer-reviewed scientific publications, including 2 monographs, 4 patents of the Republic of Kazakhstan, a study guide and an electronic study guide.

Participation in the implementation of scientific projects

She is the scientific supervisor of the grant project No. AT08855433 "Molecular design and development of methods for the synthesis of new combined derivatives of natural alkaloids - promising precursors for pharmaceutical purposes" for 2020-2022. (source of funding - Science Committee of the MES RK).

Membership in professional scientific organizations

Awards and titles

was awarded the Badge of the Ministry of Education and Science of the Republic of Kazakhstan "For merits in the development of science in Kazakhstan", an Honorary Diploma of the International Foundation "Scientific Partnership" (Moscow, RF) for a significant contribution to the chemistry of natural compounds, as well as its high scientific performance and the introduction of new original medicinal drugs. Mukusheva G.K. twice became the owner of the State scientific scholarship for talented young scientists of the Ministry of Education and Science of the Republic of Kazakhstan (2008-2010, 2010-2012).

Courses

- 1 Clinical pharmacology
- 2 Chemistry and technology of natural medicinal substances
- 3 Industrial drug technology
- 4 Validation and implementation of GMP rules
